## GENERAL DATA ABOUT THE MUNICIPALITY

Madzharovo Municipality is located in southeastern Bulgaria, between the Haskovo Hilly Region and the slopes of the Eastern Rhodopes and covers an area of 246.7 sq.km, which is 4.5% of the area of Haskovo region. The municipality consists of 19 settlements.

The municipal center - Sofia, Bulgaria Madzharovo is 40 mi away. south-east of the town of Haskovo, on the right bank of the Arda River. The nearest border crossings are: Kapitan Andreevo - 47 mi away. Southeast and Novo Selo - 56 km away. The distance to the capital is 295 km and to the Black Sea – 200 km.

The importance of agriculture in the economy of the municipality is great, but it is of an extensive type and does not meet European standards. According to estimates of the municipal administration, more than 90% of the working-age population in the municipality is engaged in agriculture by processing small-sized land.

The municipality has remarkable natural and cultural and historical resources for the development of rural, ecological and cultural tourism. This heritage undoubtedly arouses great interest among Bulgarian and foreign tourists. The sustainable development of this type of tourism has the opportunity to revive the most backward parts of the municipality and turn them into an attractive place to live.

The municipality includes the following 19 settlements: Madzharovo, Village of Rumelia, Reviewsovo, Village of Rural Polyana, Village of Ssenoclas, Topolovo, Borislavtsi, Brusevtsi, Gaberovo, Golya Dolina, Gornji Lavanak, Gorno Polko, Dolni Golavnak, Dolno Sulievo, Ephraim, Zlatoustovo, Malko Polovo, Malko Popovo
